GI Joe's Military Living History Museum is a project of Salute! A Tribute of America's Veterans, a 501 (c)3 non-profit organization based in Kinston, North Carolina. Our purpose is to recognize the past and present protectors of our Freedom, to promote the awareness of the Freedom our Great Nation has bestowed upon us, to remember how our Freedom has constantly been challenged and who has paid the ultimate price.

Our overall mission is to honor our veterans with respect and dignity, celebrate their return to our community and publicly thank them for the sacrifices they have endured for our continued Freedom. The mission for the museum is to provide a place where veterans and the community will have an opportunity to share stories, heal wounds and enjoy each other's company.

We have no political agenda, we only want to educate our community on the military history, heritage and culture of our Great Nation. Visit us on Facebook for more information at GI Joes Military Living History Museum.
